Notes

All numbers below are inclusive of VAT

- For single rate credit meters, Tier 1 rate applies to the first 125 kWh per quarter (or 42 kWh per month for monthly billing customers) and all subsequent consumption is charged at Tier 2.
- For two rate meters, the two rate prices apply. Tier 1 day rate applies to the first 125 kWh per quarter (or 42 kWh per month for monthly billing customers) of day consumption and all subsequent consumption is charged at Tier 2. Night means a period, or periods, determined by us (and as may be varied from time to time), totalling 7 hours (at present between 22:00 hours and 08:00 hours) and the night rate applies accordingly.
- The dual fuel discount is £15 per annum – it is pro-rated and applied daily and appears on the electricity bill. The dual fuel discount is given where British Gas supplies both gas and electricity to the same property (and the accounts are in the same names). Only one dual fuel discount per property.
- Electricity customers paying either quarterly by Cash or Cheque, monthly by Debit or Credit Card, or by Quarterly Equal Payments whose payment is received within 14 days of the bill issue date will receive a discount off their next bill's consumption charges of 3.9% up to a maximum of £3.75 per bill.
- Electricity customers paying by Standing Order will receive a discount off their next quarter's bill of 9% up to a maximum of £10 per bill.
