**Notes**

All numbers below are inclusive of VAT

- For single rate credit meters, Tier 1 rate applies to the first 125 kWh per quarter (or 42 kWh per month for monthly billing customers) and all subsequent consumption is charged at Tier 2.
- For two rate meters, the two rate prices apply. Tier 1 day rate applies to the first 125 kWh per quarter (or 42 kWh per month for monthly billing customers) of day consumption and all subsequent consumption is charged at Tier 2. Night means a period, or periods, determined by us (and as may be varied from time to time), totalling 7 hours (at present between 22:00 hours and 08:00 hours) and the night rate applies accordingly.
- A dual fuel discount is given where British Gas supplies both gas and electricity to the same property (and the accounts are in the same names). No dual fuel discount is available to customers with token or smartcard electricity meters. Only one dual fuel discount per property. Where electricity is supplied through a credit meter, a discount of 0.537 p/kWh off quarterly electricity Tier 2 rates (and night rates where applicable) up to a maximum of £3.75 per quarter (or £1.25 per month for monthly billing customers) appears on the electricity bill.
- Electricity customers paying by Direct Debit will receive a discount off their Tier 2 consumption charges (and night rates where applicable) of 1.429 p/kWh up to a maximum of £10 per quarter (or £3.33 per month for monthly billing customers).
- Electricity customers paying either quarterly by Cash or Cheque, monthly by Debit or Credit Card, or by Quarterly Equal Payments whose payment is received within 14 days of the bill issue date will receive a discount off their next bill's consumption charges of 3.9% up to a maximum of £3.75 per bill.
- Electricity customers paying by Standing Order will receive a discount off their next quarter's bill of 9% up to a maximum of £10 per bill.
- For customers paying by magnetic payment card, an additional charge of 2.000 p/kWh will be applied to Tier 1 prices up to a maximum of £2.50 per quarter.

**British Gas Future Energy Plus domestic two rate electricity charges pence per kwh, with effect from 07 May, 2009**
