

# Feed In Tariff Application Form

By completing this form, I confirm that I would like British Gas to be my Feed in Tariff supplier.

## What need to process your FiT application:

- Feed in Tariff application form – if you need help filling this in just call us on 0800 107 0187\* (option 2)
- MCS certificate/ number
- Copy of your final invoice (or proof of payment and ownership of the installation)

**Please Note:** FiT payments can only be made from the commissioning date if completed applications are received within 5 working days of this date via post. The MCS Certificate number must be included on the application form. If you choose to return the application to us via email, the application needs to be completed and returned on the date the installation was commissioned, along with the MCS Certificate number. If you are unable to return the application on the commissioning date, a reading must be provided to us on the date your application is returned.

The below 3 statements only apply to customers that have received Grants:

1. You are unlikely to get grants and FIT totalling €200,000 within 3 years.
2. The total value of public financial assistance you have received in relation to any economic activities – this relates to any grants receive from a public body and is not limited to grants received for the installation - has not exceeded the de minimis aid level of support, and that the combination of the grants you have received and the maximum expected FITs payments (export and generation tariffs) will similarly not exceed the de minimis levels of support.
3. You confirm that you will notify Ofgem or your FITs licensee (i.e. British Gas) immediately if the de minimis levels of support are exceeded or if you think they are likely to be exceeded.
