*To understand which supply area you are in, please check the bottom right of your energy bill, indicated as 'Pricing Region'.

Notes

1. For single rate credit meters, Tier 1 rate applies to the first 125 kWh per quarter and all subsequent consumption is charged at Tier 2.
2. The dual fuel discount is £15 (inc VAT @ 5%) per annum – it is pro-rated and applied daily and appears on the electricity bill.
3. The dual fuel discount is given where British Gas supplies both gas and electricity to the same property (and the accounts are in the same names). Only one dual fuel discount per property.
4. Electricity customers paying by Monthly Direct Debit or Standing Order will receive a discount off their quarterly consumption charges of 9%, up to a maximum of £10 (including VAT) per quarter.
