

Invitation

Energy Efficiency Seminar – South West

Wednesday 7th December 2011

**Langage Energy Centre,
Kingsway, Plympton,
Plymouth, PL7 5AW**

BRITISH GAS is delighted to invite you to the South West England Energy Efficiency Seminar on 7th December 2011. Reflecting the current challenges facing organisations this FREE event will bring together leading experts to share their experiences, views and practical insight in various aspects of energy efficiency and technology within your region

The day will also feature an exclusive tour of the impressive Langage Power Station.

Programme*

9:30 Registration and refreshments

10:00 Welcome & Overview

10:05 Gas and Grid Connections

10:45 Funding – Making the best of what is available

This session will discuss the main funding streams available now, as well as future initiatives like the Renewable Heat Incentive and Green Deal. What opportunities do these funding streams provide? Understanding your role in the decision making process? How British Gas can support you in making the most of the available funding?

- **The Renewable Heat Incentive (RHI)**
- **External Wall Insulation / Priority Group Flex**
- **The Green Deal**

11:45 Refreshments

12:00 Power Station Tour

The Power Station is part of the wider Langage Energy Park Project, a major strategic employment development site in the South West region. Langage is the first large power station to be built in the United Kingdom for five years and will be instrumental in helping to fill the projected 'energy gap' in the UK.

13:00 Lunch and Refreshments

13:45 New technologies and best use of them

Overview on Ceres Power, makers the ground breaking Micro CHP boiler, with which British Gas is partnering. Best practice and case studies on Ground and Air source Heat Pump installations, as well as a summary on wood fuelled heating (Biomass) and its benefits.

- **Ceres Micro CHP – covered by Ceres Power**
- **Wood fuelled heating (Biomass)**
- **Biomass**

14:45 Q&A Session

15:00 Closing Remarks

**Space is limited. To attend please email David Rizzo in advance.
