

Schedule of electricity Out of Contract charges

for Non Half-Hourly / Half-Hourly, non-domestic customers

These charges have been fixed by British Gas Trading Limited. If your Terms and Conditions are for small and medium size customers, our Out of Contract prices now apply only in exceptional circumstances. If you choose not to agree a new Fixed Price Energy Plan with us when your current plan expires, you'll now automatically move to our Variable Price Plan instead of our Out of Contract prices.

If your Terms and Conditions are for large and corporate customers, when variable price product rates apply you'll be charged our Out of Contract prices published in this document.

From 23 April 2017, all electricity supplies to which this schedule applies will be charged in accordance with the rates set out below. We may offer to enter into a formal contract with you instead of charging you based on our Out of Contract rates.

These charges are subject to withdrawal and can be changed with 30 days' written notice. Your supply is also subject to Terms and Conditions.
