

Schedule of gas Deemed contract charges for non-domestic customers

These charges have been fixed by British Gas Trading Limited in relation to the British Gas Deemed contract. All gas supplied under the contract from 23 April 2017, will be charged in accordance with this schedule. These charges will also apply to non-domestic customers using Piped Propane supplied under the Scheme in Llanfyllin, Llanwrtyd Wells, Colden and Stornoway.

We may offer to enter into a formal contract with you instead of charging you based on our Deemed rates.

These charges are subject to change or withdrawal and can be changed with 30 days' written notice. Your supply is also subject to Terms and Conditions. The charges in this schedule will apply to any customer supplied as a consequence of us receiving a direction from the Gas and Electricity Markets Authority (Ofgem) to act as the supplier of last resort.

Deemed rates

All prices are excluding VAT, which will be charged at the prevailing rate applicable to your business, and CCL.

		Small Non-Daily Meter	Large Non-Daily Meter	Daily Meter
Standing Charge	Pence/day*	96.07	1983.20	8459.90
Unit Rate	Pence/kWh*	6.41	6.27	6.15

* Where gas is used wholly or mainly for non-domestic purposes only

Small Non-Daily Meter – Means a single non domestic site where the annual quantity held with the Transporter is less than 732,000 kWh per year (25,000 Therms) and is not on a British Gas Business gas supply contract.

Large Non-Daily Meter – Means either a single non domestic site that is part of a British Gas Business Corporate gas supply contract or a non domestic premise where the annual quantity held with the Transporter is equal to or greater than 732,000 kWh per year (25,000 Therms).

Daily Meter – Means a site that is part of a British Gas Business Corporate gas supply contract and has an associated 'daily read equipment'. A site with any annual quantity can be registered as a daily metered site however it is mandatory where the annual quantity held with the Transporter is greater than 58,600,000kWh per year (2,000,000 Therms).

We may offer to enter into a formal contract with a customer taking a supply of gas at any site. Details of those formal contract Terms and Conditions are available from any of our offices or by visiting britishgas.co.uk/business/terms.

The charges relate to each site supplied under the Deemed contract. These charges and payment methods are subject to change or withdrawal by us at any time and your supply is subject to Terms and Conditions.

The charges in this schedule will apply to any customers supplied as a consequence of us receiving a direction from the Gas and Electricity Markets Authority (Ofgem) to act as the supplier of last resort for such customers.
